SUBJECT INDEX

This is an index to all published articles, abstracts, clinics, correspondence, editorials, and book reviews, in the *Archives* for the year 1936. In this index the star (*) indicates an original article in the *Archives*; "ab", abstract; "E", editorial. One should look for the subject word with the following exceptions: "Book Reviews" and "Deaths" are indexed under these titles at the end of the letters "B," "D." The name of the author, in brackets, follows the subject entry.

For author index see page 792.
